## Folsom Takes Bride—Proves Kissing Babies (Over 18) Pays

It's for keeps now, but the "professor" demonstrates—

... "paternal" technique  
 ROCKFORD, Ala., May 5 (AP)—Alabama's Governor James E. Folsom, who recently was named defendant in a paternity suit charging he is the father of a two-year-old boy, was married here today to 21-year-old Janelle Moore.

Folsom, who said during his campaign for the governorship in the Spring of 1946 that he would kiss all babies over 18, met his new bride during one of those campaign tours.

The couple returned immediately to the governor's mansion in Montgomery and left there later for an unannounced destination. Folsom said he would be "back in the office tomorrow."

They will take a honeymoon

later, the governor said, but the date is indefinite.

The wedding came one day after Alabama's Democratic primary in which Folsom trailed badly in his race for delegate to the Democratic National convention. He hoped to go to the convention as a favorite son candidate for President.

THE 39-YEAR-OLD governor met his new wife at Berry, Ala., her home.

The surprise wedding was performed at 4:30 p. m. at the Rockford Baptist church by the Rev. B. F. Hixon.

Not even some of the governor's closest friends knew of his plans

to marry the pretty brunette who has been employed as a secretary in the State highway department for several months.

The six-foot, eight inch chief executive has been a widower since the death of his first wife, the former Sara Carnly. She died in 1944 while he was in the Army.

Folsom received national prominence recently when he announced as a favorite son candidate for President. Shortly thereafter a paternity suit was filed by an attractive red-haired divorcee.

The woman, Mrs. Christine Putnam Johnston, of Hanceville, Ala., asked the courts to declare Folsom the father of her two-year-old son, James Douglas.

## TEMPORARY UNIT SEEN SOLUTION FOR PALESTINE

U. N. Emergency Regime To Govern Holy Land Viewed After Sessions

NEW YORK, May 5 (AP)—An emergency United Nations regime to rule Palestine appeared tonight to be the temporary U. N. answer to the Holy Land problem.

The first glimmer of what the 58-nation assembly might do to meet the immediate crisis in Palestine emerged from two closed sessions of a 12-nation group at the French delegation offices.

The assembly's political committee—in effect the assembly itself—asked this sub-committee yesterday to go over the whole complicated issue and try to find a solution before Britain ends her mandate over Palestine on May 15.

Cuba called for a plebiscite if Jews and Arabs cannot agree on a final solution.

IT WAS EMPHASIZED that the suggested emergency administration would not be a U. N. trusteeship, advocated by the United States, nor a permanent answer to the Arab-Jewish deadlock.

Based on comments by sub-committee members, the situation now appeared to stand this way:

1. The delegates recognize that no final solution for the Palestine problem can be found at present. There are not enough votes to reaffirm the U. N. partition scheme approved the past Nov. 29 or over-throw it.

2. An emergency regime should not modify or change the present situation in Palestine, where the Jews have in effect partitioned their own new country and are ready to proclaim it to the world.

3. The U. N. assembly should recommend that no U. N. member recognize any country set up in Palestine during the temporary regime.

4. The Arabs and Jews might be more likely to approve an emergency regime than any other type of U. N. intervention in Palestine. The sub-committee will meet again Friday.

The delegates will be busy at an assembly meeting tomorrow and at a Security Council session in which Palestine's civil war is expected to be aired.

The Jewish agency for Palestine submitted to Alexander Parodi, French delegate chief and council president for May, a long list of reported aggressions by Arabs against Jews and urged the council to expedite action to stop them.

Some delegates speculated that the plebiscite suggested by Cuba could be held by the emergency regime after peace had been restored. The plebiscite was suggested by Guillermo Belit, Cuban ambassador to the United States.

TEN PERSONS INJURED PHILADELPHIA, May 5 (AP)—Ten persons were injured and 60 shaken up today in an accident involving a crowded street car, two trucks and four automobiles in downtown Philadelphia.

While Assistant District Attorney Roger B. Reynolds was displaying the jug to the jury, it exploded.

JUDGE DANNEHOWER adjourned court while attendants swept up the broken glass, but there was a strong scent of alcohol remaining when the case was resumed.

The case against Grim grew out of a fire at his home Jan. 16 when firemen found a still in the cellar. They attributed the blaze to an explosion of its boiler.

Grimm and his son Raymond were burned in the blaze.

Fire Chief Richard Lindauer, of Pottstown, was the Commonwealth's first witness today. He testified that after the smoke had cleared, he discovered two barrels, partly filled with wet grain, a boiler, coils and the jug in the cellar.

He said the boiler had been broken open at the seams.

## Store Robbed of \$300; Police Laxity Is Rapped

Three hundred dollars was stolen from the grocery store of Harry W. Hartenstine at 1113 Queen street early yesterday morning or late Tuesday night.

A suspect, named by Hartenstine as the robber, was still at large last night. And Hartenstine declared at his home, 28 High street:

"There is laxity in the police. There is laxity in the police department somewhere." He added, "And I'm burned up."

This is why Hartenstine is burned up:

A suspicious character was seen pressed against the front wall of the grocery store early in the morning of April 28.

Hartenstine called police the next morning, and asked Police Chief James A. Laughed to make sure the store was watched.

"Don't worry, we'll take care of it," Hartenstine quoted the chief as replying.

Early the past Saturday morning, someone broke the window at the side of the grocery and opened the latch. When a neighbor, Walter Roberts, 1115 Queen street, got up from bed for a smoke, he turned on the light that apparently frightened the robber.

HARTENSTINE SAID he called police again Saturday telling them of the robbery attempt, outlining the method used by the suspect, giving the approximate time and actually naming and giving the address of a strong suspect.

"We'll keep a close watch on it," was the chief's reply, according to Hartenstine.

Just to make things doubly sure,

Hartenstine telephoned again over the weekend, warning them, "There's trouble coming. Please be sure and watch things here."

AT 5 P. M. TUESDAY new glass was put in the shattered window at the east side of the grocery. At 6 p. m., Hartenstine closed the store and went to his home.

At 8 a. m. yesterday he arrived at his store. His jaw dropped when he saw that a large bakery box and an ice cream sign had been moved boldly from their normal

resting place on the iron door over the cellarway to a spot directly in front of his door.

When he pecked down the cellarway, his jaw dropped farther. A robber had backed away three or four boards that blocked the entrance to the cellar, which Hartenstine uses only for a coal bin.

These two actions had been made at the front of a store on main borough street, directly across from one street light and half a block from another, Hartenstine said.

## CHURCH TO MARK ITS CENTENNIAL HERE NEXT WEEK

First Presbyterian Service Sunday to Open Fete in Observance of 100th Year

Presbyterianism in Pottstown will be 100 years old Sunday.

To mark the anniversary of First Presbyterian church, four special services will be held between Sunday, the exact date of the church's founding, and Sunday, May 15.

The burning of the mortgage, a dramatization of the church's history, a Community Night program and special music will be included in these four services.

Speakers will include the Rev. A. Burtis Hallock Jr., pastor; Burgess William A. Griffith; the Rev. Arthur H. Simpson, pastor-emeritus; Dr. William Barrow Pugh, stated clerk, or secretary of the General assembly of the Presbyterian church in the United States, and Dr. Raymond Kistler, president of Beaver College, Jenkintown.

AS PART OF the anniversary celebration, C. S. Stouffer, church historian, has compiled the following story of the Pottstown church earliest days:

Jacob S. Yost had served two terms in Congress. In 1846 he returned to Pottstown with a young Washington, D.C., bride.

A strongly religious woman, and a Presbyterian, she told her husband in effect, "I don't see how I can bear to live in a community that has no Presbyterian church."

As his wife's promptings continued, Yost assembled ten charter members.

Two other leaders in the church's founding were the Rev. W. R. Work, who came from college to set up College street, and the Rev. Matthias Meigs, who founded the Select School for Young Men, later The Hill, and who was father of John Meigs, headmaster for many years at The Hill.

THE TEN CHARTER members went to work raising funds, meeting with the Presbyterian friends Sunday afternoon at Yost's home, which is the site of the present Bahr Arcade-building, High and Charlotte streets.

In five years, the little group had raised sufficient funds to build a church. Among the contributors were Yost's friends in Washington, D. C., including James Buchanan, who was to be President of the United States before Lincoln.

Finished in 1853 at its present site, High and Evans streets, the original church was torn down in (Continued on Page Fifteen)

## STASSEN WINS 9 OHIO CONTESTS

Acclaims Showing As 'Most Significant' In Taft's Home State

COLUMBUS, O., May 5 (AP)—Harold E. Stassen of Minnesota, who grasped for 23 of Ohio's 53 Republican presidential delegates, had to settle for nine tonight.

Virtually complete returns from the state's primary election of Tuesday gave the remaining 44 to Senator Robert A. Taft (R-Ohio). Taft won 30 delegates without contest.

Both of the presidential aspirants, lining up support for themselves in the GOP National convention of next month, missed their guesses.

Ohio managers of the former Minnesota governor had claimed a majority of the 23 delegates he sought. Senator Taft refused to concede him a single delegate.

BUT THE STASSEN forces, concentrating on industrial areas, grabbed delegates in the Dayton, Toledo, Akron, Youngstown and Cleveland areas.

These victories were scored in Congressional districts. Stassen's (Continued on Page Ten)

## Oleo Forces Score With Senate Vote

WASHINGTON, May 5 (AP)—Strongly organized oleo backers scored an upset victory today in the first round of their Senate fight to repeal Federal taxes on margarine.

Some of them immediately predicted that final victory now is in sight.

By a vote of 47 to 30, the Senate reversed a ruling of its presiding officer, Senator Vandenberg (R-Mich.), and sent the tax repeal bill to its finance committee, which is expected to give the measure early approval.

Vandenberg had ruled that the bill should be considered by the agriculture committee. This group was regarded as less likely to act quickly because members from dairy states want the oleo taxes retained.

Fourteen Republicans, including Senator Taft (R-Ohio), teamed with 33 Democrats in overturning Vandenberg's decision. "Broadly speaking, it was a coalition of senators from cotton-producing and industrial areas that formed the majority."

Voting for consideration of the bill by the agriculture committee were 26 Republicans and four Democrats.

The outcome surprised even the oleo forces themselves. They had said in advance that the vote wouldn't mean much as indication of how the Senate would act on the tax repeal bill.

## Truman Sure Rail Dispute Can Be Settled; Plans Trip

WASHINGTON, May 5 (AP)—President Truman still hopes to sidetrack the threatened railroad strike, the White House said today.

As if to underscore his optimism, the President's office announced that he will leave by train for the Pacific Northwest June 3.

That is just three weeks and two days beyond the May 11 strike deadline set by the 190,000 members of three key rail unions—the Brotherhood of Locomotive Engineers, Firemen and Enginemen and Switchmen.

The President's hope for a peaceful settlement of the wage dispute was relayed to White House reporters by Press Secretary Charles G. Ross after the collapse of the latest mediation effort.

Frank P. Douglass, chairman of the National (railway) mediation board, and Francis A. O'Neill Jr., a member, conferred for nearly an hour and a half on the matter with John R. Steelman, presidential assistant.

ROSS SAID STEELMAN relayed the results of the conference to Mr. Truman, although the President did not confer personally with the mediators.

Ross said he did not know whether union representatives would be called to the White House for a (Continued on Page Ten)

## Clogged Water Meter Forces Closing of School

The Jefferson school, at Beech and Warren streets, will be reopened for classes this morning after an enforced one-day vacation.

All 576 boys and girls were sent home yesterday when it was found necessary to shut off the water to repair a clogged water meter.

Water pressure in the school building had been poor all week. When it was discovered that the trouble lay in the meter, the plumbing repairs necessitated the closing of the building.

Gilbertville Police Chief Earl W. Zern, who led the investigation aided by Collegeville State troopers, said the crash occurred at 4:15 p. m. near Zern's Market on the pike.

The big truck is owned by Leonard Tometta, Conshohocken, Zern asserted, and was driven by Oswald Pirelli, Conshohocken.

No one was injured.

## Government Crisis Forces Suspension Of Greek Parliament for One Month

ATHENS, May 5 (AP)—The Greek parliament was suspended for one month tonight as the result of a government crisis.

Liberal Premier Themistokles Sophoulis announced the suspension after an hour-long conference with Dwight Griswold, administrator for the American aid program, and Karl Rankin, U. S. charge d'affaires.

The conference followed a rift

between the Liberal and Populist parties over the reshuffling of the Greek cabinet—now a coalition of these two groups. Parliament, now in adjournment, had been scheduled to reconvene in five days.

AN OFFICIAL announcement said the Americans called on Sophoulis to "become acquainted with the developments."

Earlier, Sophoulis accused Vice

Premier Constantin Tsaldaris, a member of the Populist (Royalist) party, of violating an agreement on reshuffling the cabinet. He blamed Tsaldaris for the rift.

Tsaldaris was premier before Sophoulis took over as head of the cabinet in Sept., 1947. Griswold was credited with playing a major role in effecting this change.

Sophoulis said an agreement was reached with the Populists eight months ago on allocation of cabinet posts between the Liberals and Populists.

## A Weak, Run-Down Feeling Is Often A Warning

That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and doing, why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and off color?

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula, which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

## Daughter Admits Father's Murder After He Raped Her

WHEATON, Ill., May 5 (AP)—The pretty 18-year-old daughter of a CIO union official slain four months ago said today that she was the killer, Allen Myers. State's attorney investigator, reported.

The girl previously accused another union official, then said she had lied "because I am afraid to tell the truth," Myers added.

Myers said brown-haired Frances Korbelik, after more than eight hours of continuous questioning, told him orally she shot and killed her father and hid his body after he came home intoxicated and raped her.

The girl underwent a long lie detector test.

The girl had accused Albert Bailey, treasurer of the CIO Steelworkers Local 2330. A murder war-

rant was issued for Bailey yesterday but was not served. Police said Bailey proved he was at work at the time William Korbelik, 42, was slain.

MYERS SAID the Korbelik girl also gave several other versions during earlier questioning, intimating at one time she was shielding a male relative.

Korbelik, president of the steelworkers local, disappeared Jan. 10. His body was found Monday by his wife, Frances, 40, and a younger daughter, Dorothy, 15. The body was under a pile of lumber in the basement of their home in tri-state

village, 11 miles south of Hinsdale, a Chicago suburb.

Myers said the high school girl told him her mother and sister were asleep in a room at the rear of the house when her father raped her.

VOICE OF BROADWAY  
By DOROTHY KILGALLAN  
Accent on Youth

NATIONAL BOYS and Girls Week was celebrated throughout the nation the past week, and this concentration of thought on the younger set brought to mind, a Broadway columnist's, some interesting facts concerning the childhood of a number of show business celebrities. Quite a number of them spent their youth pursuing a vocation as far removed from a stage career as the moon is from the earth. But at some point along the way, some incident occurred that completely changed the course of their lives, and set them traveling on the road to stardom.

As a kid from Hoboken, Frank Sinatra was more or less resigned to becoming an engineer, a career which his father was determined to have him pursue. But he balked at going to college and set out to fulfill a long-standing ambition to be a newspaper reporter by starting with the Jersey City Observer as copy boy. He studied shorthand and journalism evenings, and two years later at the age of 18, won a job as junior man in the sports department.

But Frank soon became restless, and one night, while sitting in a movie house, he saw Bing Crosby on the stage. When Frank walked out of the theater that night he had already made up his mind to become a singer. The rest is theatrical history.

AS A TEENAGER, Jane Froman studied journalism and fully intended pursuing a writing career. But at a party one night, friends asked her to sing a tune for which she had written the lyrics. One of the guests was Powell Crosby, owner of Station WJW in Cincinnati. The radio tycoon didn't think much of her lyrics, but promptly made her a very tempting offer to sing on his station — and a year later Jane was being heard twenty-two times a week!

THE INIMITABLE Sheila Barrett, whose sharp, satirical impressions afford so much laughter to the patrons of Bradley's Restaurant, where she is now featured, began her adolescent studies in a field completely at the other extreme from her present one. Her dad was an attorney, and had hopes that Sheila might become a modern Portia. But when her constant efforts at mimicry of fellow students disrupted the dignified atmosphere of certain classes, her father decided that dramatic school was a better training ground for his daughter. She still delights in lampooning anything or anyone she considers stuffy.

BRUNO OF HOLLYWOOD, whose photographic lenses have helped glorify such luminaries as Gerdine Lawrence, June Haver, and Betty Button, and helped "pretty up" Clark Gable, Van Johnson and Gene Kelly in their attempts to crash show business, thought for a while that he might have to spend his years "beautifying" men's and women's clothing.

Papa Bruno, a Boston tailor, had left a widow and nine children when he died, and his son thought that he might have to continue pressing suits. But his luck held out, and his photos made show business history.

That name was a power to rally a nation in the hour of thick-thronging public disasters and calamities; that name shown amid the storm of war, a beacon light to cheer and guide the country's friends; it flamed, too, like a meteor to repel her foes.—Daniel Webster.

An Attempt to Muzzle  
The First Freedom

J. MAX CRESWELL, chairman of the Pottstown borough council committee, has decided on secret meetings of his group "so that the news isn't made public before council gets it."

In effect, he set up censorship, because while he promised to give a report of the committee meeting at which newsmen were barred, he withheld information most vital to the community welfare.

Mr. Creswell let it slip in this "secret" committee meeting that his action in barring the press was taken in retaliation for criticism leveled at his group. He warned other committee members: "Soon they'll be criticizing the highway committee and other committees."

Smarting under this criticism, Mr. Creswell further warned all committee members not to divulge what had taken place behind closed doors. He was further irritated when the news did become public property. So he chided committee members for "leaking."

Mr. Creswell is young in politics. He forgets that he is a public servant. He was elected by the people to be a director in a great public corporation — the borough of Pottstown. His actions as a councilman are public property.

When he attempts to set up censorship, he is meddling with one of the constitutional bulwarks of a free people. The issue is far bigger than the question where a newspaper should criticize a governmental group. He is fooling with a buzz-saw when he attempts to abridge the freedom of the press, contrary to the constitution of the United States.

The laws of libel, both criminal and civil, always are available to any citizen who is aggrieved by improper newspaper criticism. So Mr. Creswell need not resort to censorship. For once the freedom of newspapers or individuals to criticize public figures is hampered or curtailed, the first step toward dictatorship has been taken.

In country after country where the liberties of the people have been quenched, under Fascist, Nazi or Communist rule, one of the first steps always has been the smashing of the independent press.

Adolf Hitler said in "Mein Kampf": "It (the state) must not let itself be misled by the boast of a so-called 'freedom of the press' and must not be persuaded to fail in its duty and to put before the nation the food it needs and that is good for it; it must assure itself with ruthless determination of this means for educating the people."

The Second World Congress of the Communist International had this to say: "Only when the proletarian dictatorship has deprived the bourgeoisie of such powerful weapons as the press, the school, parliament, church, the government apparatus, etc., only when the final overthrow of the capitalist order will have become an evident fact—only then will all or almost all of the workers enter the ranks of the Communist party."

Here in America there have been examples of interference with liberty of newspaper expression by officials.

Huey P. Long, as Governor of Louisiana, had his servile Legislature impose a ruinous tax on all the Louisiana newspapers of large circulation because they had criticized his administration and exposed its rottenness. The tax was pronounced unconstitutional by the Supreme Court.

Frank Hague, the Jersey City boss, struck at the Jersey Journal by firing any county or city employee seen reading the paper, and by bringing about the withdrawal of certain advertising.

Similar techniques were employed in this and other countries. Those who employ them violate one of the principles on which American liberty has been founded, a principle for which oceans of blood have been spilled.

It is not likely that Mr. Creswell's own party would support him in his gag of the press. For his own colleagues are familiar with the free press cases cited above and their one outcome. They know there can be but one result. Affirmation of the fundamental principle that the press shall not be gagged by anyone.

**Grampaw Oakley**

PUNKD. CORNERS,  
Editor, The Mercury,  
Dear Sir: I am writing to you by the papers where some Oxford students for a prank, poured hot coffee into the bapipes of the orchestra at the royal silver wedding anniversary party in Buckingham Palace. How crude of the bapipes — pouring coffee at tea time!

At that, bapipes music at best is unnerveing, without having to listen to it being, strained through a cup of java!

And say: A New Jersey professor demonstrated that a person in a trance can drive an automobile, shucks! That was proven long ago — and often!

Hopin' you air the same,  
GRAMPAW NED OAKLEY

**Traffic Controls Bungled**

To the Editor: This is an open letter to J. Max Creswell, chairman of borough council's police committee. It stems from an article in Wednesday's Mercury on proposals to change Pottstown's system of traffic regulation.

Mr. Creswell, you and your committee approved the purchase and installation of traffic signals at four busy intersections not too many months ago. The red-amber-green signals were installed. They are a common type of signal, but not the up-to-date type. They may serve the present day needs, but they will be suitable to regulate traffic five or ten years from now?

Your committee admitted, in effect, that they won't. You propose to include walk lights at the intersections of High street at Charlotte and Hanover. There isn't it logical that some of the recently regulated intersections will need walk lights in the not-too-distant future?

Mr. Creswell, you and your committee are spending our money.

You've spent it for traffic surveys, but what happened?

You set up your own board of traffic strategy, ignored suggestions from the experts. Your bungling is becoming more and more evident.

Reports of your mistakes are becoming increasingly loathsome to the public. I suggest you admit the job is too big for you and turn it over to someone who can handle it.

Pottstown WEST WARDER

**Dirt Washed Away—Bit Late**

To the Editor: I guess this week's rains did it.

I've been waiting to read when the borough was going to wash down the streets, as promised. But no item was published about the Winter's dirt being washed away.

Those rains of Monday and Wednesday sure washed away the dirt.

They also washed away the fill used to plug up the cavernous holes in Pottstown's streets.

They also washed some sidewalks and curbs.

Then all the debris was deposited in the low-lying streets because Pottstown has no storm sewers to carry off the filth. What a mess!

Pottstown BARE FOOT BOY

**The Worry Clinic**  
By DR. GEORGE W. CRANE

SARAH P., 47, is a spinster, who doesn't look to be over 40, and dresses very attractively.

"Dr. Crane, I used to work as a private secretary after I finished college," she began our interview. "But when my father died, my mother wanted me to stay at home with her."

A few years later she grew rather feeble, so I stayed on as her companion and nurse. For the last 23 years, I have been her constant companion.

"Although I have two married brothers and a married sister, they apparently assumed that Mother was my sole obligation. They didn't even assume any financial support for Mother. I finally used what saving I had laid aside while working as secretary."

"Mother passed away last Spring. Since then, my older sister has been trying to have me come to live with her. But she is a bossy type of person, and would try to run my life."

"I feel that I should have a little opportunity to live as a free individual for a change, but she grows offended if I even suggest such a thing. Dr. Crane, what would you advise?"

THERE ARE thousands of conscientious women who have devoted their lives to the care of enfeebled parents, and who have therefore effaced their own desires for excitement and social pleasures. Many bachelors have found the same for their aged mothers.

Sarah is a very attractive looking woman. She is a college graduate, and has managed to procure a job. So I urged her to do so at once and not submerge her personality to her autocratic sister.

Her brothers and sister have allowed her to stagnate socially for 23 years, so she certainly is entitled to a reasonable amount of independence henceforth.

Because of her long submission to her mother's wishes, however, Sarah had almost become convinced that it was very selfish for her to live alone in a small apartment.

But I was able to sway her decision, and now she is a changed personality. The complaint which brought her to see me was a general lassitude and lack of pep. She had no incentive even to wash her dishes or clean her little apartment. She had a defeatist complex.

Within 24 hours after I had convinced her that a reasonable amount of selfishness is very desirable, she called me on the telephone.

"I thought you'd like to know how I am getting along," she announced. "Well, I started my 'COMPLIMENT CLUB' idea last night and paid three sincere compliments then, and already have three completed for today."

"I went to a party last night and had one of the best times of my life. And Monday I start my new job. I feel like a school girl already, and my pep and enthusiasm surprise me."

"Already this morning I have cleaned up my apartment, and washed all my clothes which were a bugaboo to me yesterday. Even the sun seems brighter today."

If you are approaching a nervous breakdown it usually means you haven't satisfied a deep-seated emotional conflict.

**FLOWERS FOR THE LIVING**

MR. AND MRS. GEORGE S. MINTZER  
Pottstown PD 4

BECAUSE they are celebrating their 15th wedding anniversary today.

**SHOCKING:** The three machines which F. D. R.'s favoritism seemed to have made impregnable "Tammany," the Hague outfit in New Jersey and Ed Kelly's Chicago rascality are cracking up. It is doubtful if any of these three will be found in the Democratic column next November. The current leaders cannot make up their minds whether to support or desert the President.

The Republicans are in no better shape, although they may sweep the country next Fall because it is their turn to win after 16 years of Democratic rule. They have no Mark Hanna, Boies Penrose or even a Harry Daugherty.

If they had, they would not now, less than seven weeks before the national convention, be wailing the way in which young Stassen has been slaughtering their most prominent presidential possibilities.

The most shocking tip-off on the bosses' futility is that leaders of both parties have been courting "Ike" Eisenhower so shamefully, although they do not know whether he is a Republican or a Democrat. They do know, however, that he has never won a political button or entered a political clubhouse in his life. Yet they are willing to accept him to save their own worn-out hides.

**EMPLOYMENT:** The underlying factors behind the bosses' predicament are not difficult to identify and the more astute among the ruling crowd recognize them. But the ordinary political run do seem to recognize that, at least temporarily, they no longer control the levers of vote-making machines.

Full employment, even labor shortages in some lines, is one of their greatest hazards. In view of the small pay to be earned on government jobs, folks prefer to work in factories instead of municipal, state or federal offices. They do not have to stand, hat in hand, before the big boys' desk, with a recommendation from their district or precinct leader. Therefore, they are under no obligation to "vote your job."

Millions—women, school-age youngsters and veterans — learned how to handle machinery during World War II. Now, with industry calling them back to help meet normal domestic demands, the foreign aid program and defense manufacturing, they are heading for private employment offices instead of the nearest political headquarters.

**DISGUSTED:** First voters, especially veterans, are sick of the old, partisan shibboleths and the ancient faces, particularly those at Washington. Stassen's greatest asset is that the Deweys, Tafts and even the Vandenberges, have been hanging around too long. Therefore, the curiosity about the Minnesota and General Eisenhower.

A seemingly unimportant incident on Capitol Hill reflected the changed attitude of the first-voting veterans. The ten top students in political economy classes at Franklin and Marshall University recently visited Washington to study the operations of government at first hand. They attended the monthly luncheon of the Pennsylvania delegation of House and Senate members and listened to the group's discussion of legislation before the Congress.

Sen. Edward Martin, possibly forgetting that these young guests were present, denounced the Taft-Ellender-Hessing Bill as "utterly socialist." He gave a rousing, 1890 speech against the measure. His collegiate audience, although the sons of conservative Pennsylvania burghers and farmers, were completely disgusted with his attitude. They want Federal aid for homes for themselves and their families.

Note: Favorite Son Martin ran third, behind Stassen and Dewey, in the recent Pennsylvania primary.

**RESPONSIBLE:** Franklin D. Roosevelt is largely responsible for the skepticism of great racial minorities toward both major parties, but especially toward the Democrats. In the opinion of the Truman-McGrath strategists, he made almost impossible promises for vote-getting purposes and then left it to his successor to fulfill them.

For political reasons F. D. R. promised the Jews a homeland in Palestine and oriented his public statements in that direction. For reasons of military strategy he pledged to King Ibn Saud of Arabia that there would be no settlement of the Holy Land dispute that would be unsatisfactory to His Highness With Russia on the rampage, President Truman has had to hedge on his predecessor's pledge, and play ball with Ibn Saud for oleaginous reasons.

F. D. R. also held out the hope to many Eastern Europeans, Balkan peoples and Baltic groups that he would win them the "four freedoms." Under Russian control, they have now lost even the few liberties they once enjoyed.

Mr. Roosevelt won over the colored people by his political and economic equality platforms. Although President Truman made a good try where F. D. R. only made promises, the Negroes are no nearer that promised land than the Jews are. And H. S. T. cannot get it for them in time to help himself next November.

HOLLYWOOD, May 5 — Janet Leigh, who got her first big break in "The Romance of Rosy Ridge" with Van Johnson, and has clocked in "If Winter Comes" since then, will be given the femme lead in "Act of Violence," the story property which Mark Helinger had intended to make, and which Metro acquired from his estate. . . . George Montgomery, whose hobby is making furniture, says he's taking two weeks vacation from his carpenter shop because he doesn't want to give a "wooden performance" in his next picture. His handiwork is really something—as plenty of people will testify. Didja know a lot of players have gone into the custom-made furniture business? . . . Craig Stevens, Jack Carson, Bruce Bennett, Dan Seymour and others will take orders for anything from a Welsh dresser to a Virginia bedstead.

**IT REMAINED FOR Doug**  
Fairbanks Jr. to give Patricia Medina, the movie break for which she's been waiting for a long, long time. She's the beautiful brunette wife of Richard Greene. And her break comes in the same picture in which Richard plays a top role. It's "The O'Flynn" which Fairbanks is both producing and directing, and now he's got the Greens, also pals in private life, in the movie with him. . . . The domestic status of the John Irelands will be settled rather promptly. . . . When King Michael checked out of a N. Y. Hotel he paid his bill with a \$10,000 cashier's check from London. He has money stacked away all over the world!

**ONE OF THE REASONS** Rita Hayworth signed up again at Columbia was because she was virtually promised the starring role in "Born Yesterday." The Bway hit show which that studio owns. Now the latest dope is that they're thinking of borrowing Marie McDonald from Metro for it. If true, Rita will be mighty disappointed. She just rented a house in Palm Springs for two months—but will be lucky to get week-ends there because she's supposed to start work again (picture still untitled) in May. . . . Her ex, Orson Welles is running around Paris with the grand-daughter of Tolstol. Awesome Orson's next epic will be "Othello."

**THOSE RUMORS** that "Blood on My Hands" might have to be abandoned (though only half finished) because of Joan Fontaine's illness in her current delicate condition, are just rumors. Joan will be able to finish her stint, though outside of that she'll do little but rest until her baby is born. If the picture had had to close down, it would have been a tough break for English actor, Robert Newton, who we hear, has been doing a swell job in his first Hollywood picture—and due for a lot of audience recognition. . . . The fashion editor of Pic, Bert Bachrach is doing a piece on Jimmy Durante's wardrobe, which tops the closets-full of many a local glamour-guy. And nothing flashy, mind you!

**YOUR HEALTH**  
By HERMAN N. BUNDESEN, M. D.

EVEN in the absence of disease, some of us are stronger, more energetic, and in a better general state of health than others. In many people this lack of constitutional vigor takes the form of indigestion. Nothing is organically wrong with them; that is, they have no disease of the digestive system, but at the same time it does not function quite as it should.

Such people are highly nervous, over-irritable, and over-sensitive. Many worry too much about their symptoms and their troubles. It is scarcely strange that in this more or less constant state of tension, their nerves should begin to produce all sorts of uncomfortable symptoms.

These persons often can be recognized by their cold, clammy hands; a slightly bluish color to the skin of the legs; rapid and noticeable beating of the heart; frequent emptying of the bladder; belching, and at times attacks of diarrhea. Such people do not stand up well under strain and infections may leave them exhausted for months.

Unfortunately, sometimes it takes quite some effort to rebuild these individuals into perfectly functioning persons. What must be done is to teach them to live within their physical means. They must learn how to put up with their discomforts and get rid of their fears and worries insofar as possible. They must be taught that their digestive attacks are in no way serious and will not lead to anything like cancer.

Many of these people have alternating attacks of diarrhea and constipation, together with some discomfort in the abdomen. Often they pass mucus with the bowel movement. Nervous excitement, cold, or the eating of some food that is difficult to digest may help to bring on the attacks. These persons are said to have mucous colitis, even though there is no actual inflammation of the bowel. Fortunately, this disorder is not serious. It should be remembered that even a normal bowel may be upset by nervous disturbances or dietary factors.

In cases of nervous indigestion, the treatment is to eliminate excessive strain, worry, and fear, and to employ a bland diet, that is, one which contains no highly seasoned foods or those containing too much bulk or roughage.

Certain sedatives or quieting preparations, such as phenobarbital, are often useful. Atropine also is helpful in some cases.

Some persons with so-called indigestion develop their symptoms because of overeating. They get along all right as long as they eat small meals, but when excessive food is put into the stomach and bowels, symptoms of indigestion occur. Of course, the indigestion may also occur because of eating too fast or of eating when excited or upset.

In all cases of indigestion there is need for careful study to determine the cause before successful treatment may be employed.

**COMPLAINT** — High street store really got a new form of complaint the other day. Woman came into the store with a pair of shoes which she promptly plopped down on the counter. Obviously, the soles of the shoes had been chewed. The clerk said she believed the shoes had been nibbled at by a dog. The customer frankly admitted it. "Yes, my dog chewed the shoes. But he's never chewed a pair of shoes before in his life, so there must be something wrong with these shoes to make him want to chew them. I want a refund."

Accent on Youth

NATIONAL BOYS and Girls Week was celebrated throughout the nation the past week, and this concentration of thought on the younger set brought to mind, a Broadway columnist's, some interesting facts concerning the childhood of a number of show business celebrities. Quite a number of them spent their youth pursuing a vocation as far removed from a stage career as the moon is from the earth. But at some point along the way, some incident occurred that completely changed the course of their lives, and set them traveling on the road to stardom.

As a kid from Hoboken, Frank Sinatra was more or less resigned to becoming an engineer, a career which his father was determined to have him pursue. But he balked at going to college and set out to fulfill a long-standing ambition to be a newspaper reporter by starting with the Jersey City Observer as copy boy. He studied shorthand and journalism evenings, and two years later at the age of 18, won a job as junior man in the sports department.

But Frank soon became restless, and one night, while sitting in a movie house, he saw Bing Crosby on the stage. When Frank walked out of the theater that night he had already made up his mind to become a singer. The rest is theatrical history.

## Alert Co-ed on Bike Helps Police Capture 'Woman in White Shoes,' Suspect in Thefts

CHESTERTOWN, Md., May 5 (AP) — Two alert co-eds spotted a woman in white shoes on the Washington college campus who is being questioned today in a series of dormitory thefts at girls' schools in Maryland, Virginia and Pennsylvania.

Kent County State's Attorney A. Parks said the woman identified herself as Lillian Lucile Becker, 33, of Topanta, Calif.

She was arrested at nearby Centerville, Md., last night after one of the co-eds chased her on a bike and turned the numbers of her California license tags over to officers.

The girls had been warned about a woman in white shoes who raided girls' dormitories at Frederick, Md., Baltimore, Frederickburg, Va., and Chambersburg and Gettysburg, Pa. The loot included 60 pieces of jewelry valued

at \$1379 besides clothing and cash.

Miss Amanda T. Bradley, dean of women at Washington college spotted a stranger she took "for a very pretty college girl" in one of the dormitories at dinner time last night and noted she wore white shoes.

NANCY BAVIS, 19-year-old Baltimore girl and Barbara Hunley, 18 of Dickeyville, Md., saw her about the same time Barbara got her bike and overtook the woman as she got into a car.

It was intercepted at a road block set up by State police.

Sheriff Bartus C. Vickers said the woman acknowledged ransacking the Washington college dormitory but denied she was involved in the raids on other schools.

State Attorney Rasin said he had talked by telephone with the woman's husband, a movie set employee at Santa Monica, Calif., and learned she was on the way to visit relatives at Bristol, Va., and arrange for the shipment of some furniture to California.

A jeweler estimated valuables found in the car were worth about \$1000.

Girls from the various colleges were being brought here today in an effort to identify some of the articles.

In recent years Americans gave churches and welfare institutions little more than \$150 out of every \$100 of their expenditures—considerably less than they spent for either tobacco or alcoholic beverages.

## Soap Prices Take Temporary Drop

If it ever stops raining, Pottstown housewives can wash all the clothes in the place at a reduced rate this week.

The reason is that many local stores are featuring weekend specials in powder and bar soap prices.

Soap flakes and powders are dropping temporarily from 37 to 34 cents in some local stores, while bars of soap are being cut by one to three cents from 11 to as little as eight cents.

One week ago, many toilet and laundry soap products had been cut one cent in price from an average high of 12½ cents a bar.

Any prospect of a permanent cut in the price of keeping clean was dampened by managers of both chain and independent stores, who warned.

'The price of fats and oils is still going up, and I don't see how soap can come down as long as that situation lasts'

## Youth Gives Advice To Federal Judge

RUTHERFORD, N. J., May 5 (AP) — New Jersey's Senior Federal Judge Guy L. Fike received some advice from a juvenile yesterday.

When he entered his garage for the first time since the "big snow" of the past Dec. 26, he found a note which told him, "You'd better lock the windows around here."

The note, tied to a shotgun which had been changed from its usual position in the garage, read in part:

'Dear Sir: I took this shotgun thinking I could have some fun with it but I realize juvenile delinquency wasn't for me. I have cleaned this gun for you and hope you don't mind. Thank you just the same.'

Judge Fike said, "I'd like to meet this boy, pat him on the back, and say, 'Bravo!'"

In 1942 community chests throughout the United States received contributions from an average of 23 percent of the population.

## Amish Minister, Father Of 13, Takes Own Life

LANCASTER, May 5 (AP) — John S. King, 51, a minister of the Amish church and father of 13 children, hanged himself today in his barn, Deputy Coroner H. S. Slack reported.

Slack said King, son of Amish Bishop Christian L. King, had been despondent about his health for more than a year.

## Red Tape Caused by New Law to Delay Checks With Pay Hikes for Vet Trainees

WASHINGTON, May 5 (AP) — Veterans who will benefit from the new law on the job training "allowance" probably won't get their increased allowance checks until July or August, a Veterans Administration official said today.

He explained that the legislation signed yesterday by President Truman is too complicated to allow swift adjustment of subsistence checks.

The new law does these things:

1. It raises the monthly ceiling on wages and subsistence allowance for veterans with no dependents from \$175 to \$210; for veterans with one dependent from \$200 to \$270; and for veterans with more than one dependent from \$200 to \$250. (This means that as soon as a

## Treasury Target

Secretary Snyder said yesterday in Washington that the Treasury will use "all resources" to see that Miss Viren Kellems, who pays the government withholding taxes for the 100 employees of her manufacturing plant, Miss Kellems says that withholding taxes is unconstitutional.

## Concession Owner To Pay Tax Himself

WILKES-BARRE, May 5 (AP) — Children should never be worried about taxes, believes John E. Hanson, owner of many mid-concessions at Harvey's Lake amusement park, so he will do it himself and pay the 10 percent amusement tax imposed by the Lake Township school district.

## "UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

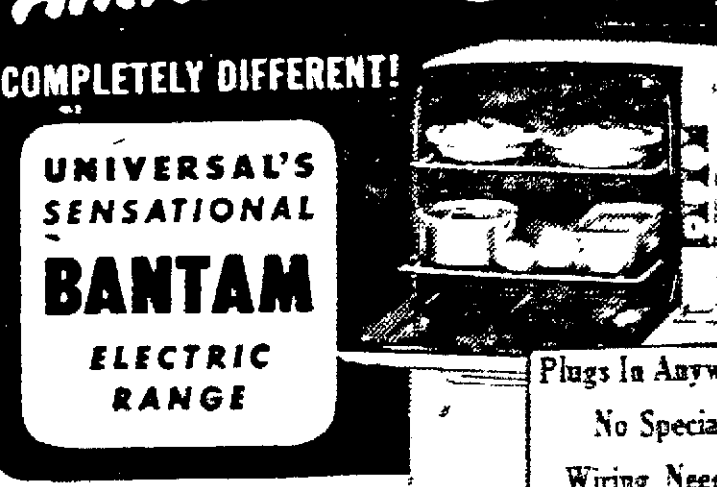

Don't expect to get real relief from heartburn, sour stomach, gas and bad breath by taking soda and other alkalizers. These are the cause of your trouble, not the cure.

In this case, your real trouble is not in the stomach at all. It's in the digestive tract where 80% of your food is digested. And when the lower part gets blocked food may fail to digest properly.

What you want for real relief is something to "unblock" your lower intestinal tract. Something to clean it out and get it working properly. Nature gets back on her feet.

Get real relief from your digestive tract. Try this gentle, natural, non-digestive tract. This gentle, natural, non-digestive tract. This gentle, natural, non-digestive tract.

## Judge Paroles Area Man; Counsel Claims Defendant Must Support Ailing Mother

By Staff Correspondent

NORRISTOWN, May 5 — Seven months were lopped off of a ten-month prison sentence as Judge George C. Corson granted William J. Morello, 21, of Pottstown RD 3, a parole today.

Morello had served three months of his ten-month term.

He was sentenced by Judge Corson on Feb. 3 to pay the costs of \$50.58, a fine of \$10.00 and to remain in jail for the ten months after pleaded guilty to a charge of driving a motor vehicle after his operator's permit had been suspended.

The defendant, through Attorney Rudolph W. DeStefano, asked for a parole because he is the chief support of his mother, Virginia, who is seriously ill from a stomach condition. He further added that he had learned his lesson fully.

HIS OPERATOR'S permit had been suspended on Nov. 9, 1944, after he was sentenced by Judge Knight on an involuntary manslaughter accusation to pay the

costs and remain on probation for 23 months.

State police of the West Reading barracks stopped a truck Morello was driving the past Dec. 23 and discovered he did not have the necessary permit.

# SICK!

**STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS**

and such complaints as Headaches, Nervousness, Acidity, Indigestion, Lack of Vitality, Energy, Poor Appetite, Underweight, Dizzy Spells.

**Drugless Health**

IF YOU ARE a sufferer of these ailments, try GEO-MINERAL. You will be astounded at the results. GEO-MINERAL comes from the earth—Nature's Laboratory. Contains NO alcohol, NO preservatives, NO oil, NO harmful drugs, NO dope—NOT a habit forming. Contains ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments—highly recommended by the medical profession.

GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. Lack of minerals in the blood causes pain, headaches, nervousness. Minerals generate mental brilliancy, give sparkling eyes, red cheeks, fight disease, build up health.

**Rich Red Blood**

MEDICAL records show 68% of men and women over 25 suffer from nutritional iron anemia. When you feel nervous, dull, lazy, have dizzy spells, no ambition to work or play, a poor appetite, feel blue, when your eyes lack that bright spark, and your mind brilliancy, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

**Wonder Minerals**

RHEUMATISM, arthritis, and other dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ill. People, on the advice of doctors, go to mineral springs to find cure, or relief. The most important of our people, including doctors and millionaires, go to mineral springs. They would not patronize regularly these springs without any benefit.

YEAR after year, people rush to mineral springs and spas, to drink and bathe in their mineral waters. We have all heard of the wonderful springs of Lourdes, France, and famous Thonon in ancient Greece where, according to legend Hercules the god of eternal strength and youth, drank its waters and bathed to be forever young.

**Amazing Results**

GEO-MINERAL contains minerals found in the world's best springs. Watch the results a day or two after using it. The housecleaning it will do in your body, the poisons it will bring out. When you see this, do not get alarmed—thank Nature who created Geo-Mineral as a sign that the medicine is working on you, and realize its priceless value.

GEO-MINERAL Retail Price 1 Bottle \$1.10 6 Bottles \$6.00

**Read What They Say!**

"We have sold Geo-Mineral for the last six months and it has been one of the best selling drug items we have ever handled"—my Porter Bros., pharmacists of Concord, N. C. "I can report amazing results in many instances, and we personally believe Geo-Mineral is a good medicine for purposes as indicated and recommended to sufferers who have tried other medicines with little if any results. They may discover that Geo-Mineral is what they have been needing and looking for—we unhesitatingly recommend it."

GEO-MINERAL is not a physio and does not interfere with the foods in the stomach. It cleans and purifies the intestines, thoroughly relieving gas, toxins, acids, and bloating. After these poisons are out of the system and the kidneys purified, we begin to feel the arthritis and rheumatism leaving, and Nature starting to complete the recovery.

**100% Guaranteed!**

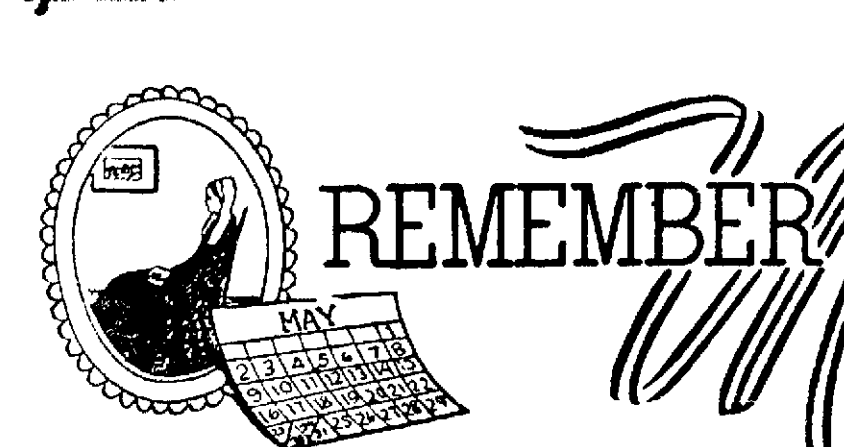

WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!

TRY it today! It may do wonders for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.

Sanatoga Grange Holds Popularity Poll On Favorite Dishes

Sanatoga Grange housewives last night turned a Mother's Day program into a favorite dish popularity poll. The results were varied. Most husbands preferred chocolate cake and coconut pie to anything else but there were several strong cries for the homely baked bean. One hubby burred over about one of his wife's desserts but when asked to name it was unsure whether it consisted of peaches or apples. Louis Brant, a butcher, was loudly booed down when he announced his deepest love was sirloin steak and French fried potatoes.

BEFORE THE program part of the regular meeting started it was announced that members will hold a get-together after this month at the home of Samuel Hanna, 837 North Franklin street.

The Grange will also hold a rummage sale at the YWCA on May 27 to raise funds for painting the hall. A ham supper will be held May 8 at 5:30 o'clock.

The program began with selections by the Tryads and the presentation to each mother of a corsage. Patty Born recited a poem and Mrs. Harry Brant handed down household hints.

Mrs. Charles Moyer and Mrs. Vernon Rapp both read selections and Mrs. J. Clyde Borneman explained when to plant lima beans. Singing closed the session attended by 34 women and 24 men.

Socialist Convention Opens Today in Reading

READING, May 5 (P)—Socialist party opens its national convention tomorrow in this former stronghold of the party. Candidates for president and vice president of the United States will be nominated during the sessions which are expected to be run through Sunday with 400 delegates in attendance.

JURY ACQUITS—

Heights, Pottstown, and Quakertown.

Johnson denied stealing the articles. He said he purchased some of the toys and others were given to him.

After the verdict was returned, Assistant District Attorney J. Stroud Weber, who prosecuted the case, said to Judge Dannehower, "I suppose we will have to turn the toys back to Johnson."

"That's up to the district attorney's office," answered the court. "Well, it will be a long time before he gets them," said Weber.

At this point, Attorney William A. O'Donnell Jr., counsel for Johnson, joined in the conversation and informed Weber, "Don't worry, we'll get them."

JUDGE GEORGE C. Corson will impose sentence Friday on Bernard McLaughlin, 24, of 232 South St., Pottstown, who pleaded guilty today to a charge of fornication.

McLaughlin had been on trial before a jury all day Tuesday, charged with statutory rape, but when Court convened today he announced that he wished to throw himself upon the mercy of the court and the district attorney's office agreed to accept the fornication plea.

McLaughlin was arrested by Pottstown police Jan. 27 for allegedly being intimate with a 15-year-old Boyertown RD 1 baby sister two days before.

Spotlighting the Law Charged to Motorist

Charged with shining the spotlight of his car into the face of an approaching driver, Joseph Bolonsky, 106 Race street, Stowe, will receive a summons from Justice of the Peace Richard H. Cadmus, of the Seventh ward.

Bolonsky was traveling north on State street at 9:25 o'clock the past Sunday night when he saw a car approaching in the opposite direction. He is alleged to have turned his spotlight on and into the face of the on-coming driver.

But, he made one mistake. The approaching driver was Motor Patrolman Lewis Borgiet, who promptly pressed the charges against him.

were constructed by Pottstown High school vocational students.

Rings at the West Pottsgrove school were flooded as rain swept the athletic field. William E. Gohean, who will conduct the tournament in Stowe, said he expected to have at least three rings in operation by Monday afternoon.

Indications were yesterday that more than 1000 boys and girls throughout the greater Pottstown area would be competing for the coveted free trip to the national tournament at Wildwood, N. J.

STASSEN WINS—

attempt to capture one of the state's nine delegates-at-large failed. Nevertheless, Stassen was elated over his showing on Taft's home field.

In Minneapolis he described it as a "clear-cut victory" against "combined and extreme opposition" and "one of the most significant developments of the entire national campaign."

He added: "The Republicans of Ohio have advanced us another step toward nomination at Philadelphia." Senator Taft in Washington said his Ohio strategists scored a triumph in limiting Stassen to nine delegates.

conference. Then he added:

"There still are a number of days left in which the parties can settle their disagreement. There is still some hope—anybody's entitled to hope."

The strike is set to begin at 6 a. m. (various local times) next Tuesday. Yard workers are to quit at that hour, and train crews out in runs are to bring their trains to their destination or tie-up points before walking out.

THE UNIONS SAID they would permit their members to operate troop, hospital and milk trains.

The three dissatisfied operating unions have demanded a 30 percent

wage increase for their members, and certain changes in working rules. Other organizations among the railroads' total working force of 1,250,000 have settled for a raise of 15 cents an hour recommended by a presidential emergency board.

## Senate Passes Legislation to Revive Lapsed Home Loan Insurance Program

WASHINGTON, May 5 (AP) — Backers of public housing today pushed through the Senate a bill to revive until June 30 the big segment of the government's home loan insurance program which lapsed the past week.

The bill, passed by voice vote, says

nothing about public housing. But its supporters said those against it were out to kill a section of another Senate-approved measure which calls for 500,000 government-owned and operated dwellings.

The public housing provision is part of the Taft-Ellender-Wagner long range housing bill designed to spur the building of 15,000,000 new homes by 1958. Passed by the Senate two weeks ago, it now faces an uncertain fate in the House banking committee.

Before passing the loan insurance bill today, the Senate batted down, 43 to 28, an amendment by Senator Cain (R-Wash) to extend the program through next March. Cain contended that since the same long term extension is part of the T-E-W bill,

there was no point in voting only a stopgap continuance.

THE HOUSE has approved a separate bill authorizing extension of the loan program through March, 1949. Senate public housing backers don't want to act on that measure now, lest it give the House an opportunity to shelve public housing and the rest of the T-E-W bill.

The stopgap Senate bill on loan insurance originally called for extension of the program through this month. The measure was amended to provide for continuance through June. It authorizes an additional \$400,000,000 worth of insurance.

The bill now goes to the House. Cain has indicated that the banking committee group there probably will balk at anything less than an extension through next March.

Senator Taft (R-Ohio), absent during the past week's hot debate on the insurance bill, spearheaded the fight which brought passage of the measure. He had plenty of help.

Senator Tobey (R-NH) charged that "the real estate lobbies" wanted the Cain amendment to pass in the hope it would block public housing.

Senator Barkley of Kentucky, the Democratic leader, said Cain's proposal was designed "to give the House a good alibi" to shelve the T-E-W measure.

## Denies He'll Quit

Vice Admiral William W. Smith, chairman of the Maritime Commission, denies reports that he will resign his post under White House pressure because of a lack of "co-operation" from the commission.

## Schoolhouses Go on Block In Upper Hanover May 15

Five Upper Hanover township schoolhouses will be auctioned to the highest bidder on May 15.

The five one-room schools were abandoned because of a lack of pupils. They average 70 years of age, but come complete with almost a half-acre of ground each.

Dewey Advocates Union of Europe; Raps Foreign Policy

EUGENE, Ore., May 5 (AP)—Denouncing America's post-war foreign policy as "sheer muddle-headedness," Gov. Thomas E. Dewey tonight called for an immediate union of European nations as a major objective of a new United States foreign policy.

"Unofficial but important conferences have already been called to prepare a constitution for the new United States of Europe," he said in a talk to a University of Oregon audience here.

"We Americans have spent \$20,000,000,000 in foreign aid since the war and we have seen precious few results. We cannot continue pouring out our substance without getting results."

The New York governor, campaigning for the Republican presidential nomination, made European federation the most important of seven United States objectives in countering the cold war being waged by Soviet Russia.

THE OTHERS WERE military strength at home, creation of a capable intelligence service, counter propaganda against Communism, immediate help for China, "genuine bipartisan" co-operation in waging peace, and remaining "cool."

Dewey prefaced his foreign policy plan with a sweeping denunciation of administration foreign policy. He cited Teheran, Quebec, Yalta and Potsdam as Russian diplomatic victories "handed to her by our own representatives." Manchuria, he said, was given to the Soviets in a "secret deal" by the United States.

"In our relations with Soviet Russia," he asserted, "the present national administration has pursued a policy of appeasement one day and of bluster the next. It has just had no policy at all."

Eastern Railroads Seek Boost in Fares

NEW YORK, May 5 (AP)—Citing increased costs of operation, East Coast railroads today sought to increase fares.

The railroads asked the Interstate Commerce commission for permission to increase coach fares 20 percent and first class fares 14.3 percent, effective June 1.

In an ICC hearing held in Brooklyn, Walter S. Franklin, vice president in charge of traffic of the Pennsylvania railroad, acted as spokesman for all East Coast roads. He urged that the rate structure be increased as promptly as possible.

Franklin said Eastern railroads faced expenditures for improvements in their service and for other things. He cited the case of terminals from which goods are shipped abroad.

"Very little if any, money has been spent on terminal facilities for off-shore traffic since the war. In fact many of these facilities have

not been utilized to anything like the extent that they were during the war, and consequently have been allowed to deteriorate. To bring these facilities back and to remove the large deferred maintenance accumulated during the war period will require the expenditure of enormous sums of money. The railroads simply do not have the cash to make these expenditures."

There are about 250,000 churches in the United States claiming close to half the country's population as members.

Girl, 15, Dies After Beating by Jilted Suitor

LANCASTER, May 5 (AP)—Her skull fractured after it was based repeatedly against a sidewalk, 15-year-old Phoebe Artz died today in nearby Ephrata General hospital.

Police slated Wilford Lee Potteiger, 16, self-styled boy friend of the slain schoolgirl, on a homicide charge. He was held in Lancaster county jail without bail pending arraignment.

A state policeman quoted Potteiger as telling the girl's parents shortly after the beating last night: "Your daughter is lying on the pavement. She may be dead. I don't care. No other fellow can have her if I can't."

The girl died 12 hours after she was accosted on a small street in nearby Denver—where she lived—as she walked with three girl friends.

### JEWIS PREPARING TO PROCLAIM HEBREW STATE

Nameless Nation To Announce Sovereignty After British Leave, May 15

SARONA, Palestine, May 5 (AP)—The new Hebrew state—with its army of more than 50,000 men but still lacking a flag or a name—will proclaim its independence 11 days hence in this suburb of Tel Aviv.

The proclamation will be sent to the United Nations at Lake Success in a formal request for international recognition. David Ben-Gurion, chairman of the Jewish provisional government, will address the document.

No one here knows whether recognition may be granted. But at this moment the area that would become one of the world's smallest nations has under arms and in the field the largest army of any state of its size—more than 50,000 men ready to fight for their sovereignty.

Sarona is an old mansion residential suburb 10 minutes by automobile from downtown Tel Aviv. It was founded in the last century as a German Templar colony. (The Templars, originally a German religious sect organized for "gathering of the people of God in Palestine," later supported German economic interests in the Middle East).

THE SO-CALLED "Sarona Germans" and most other non-Jewish German nationals except known anti-Nazis were interned during the war in Palestine or elsewhere. Many have left Palestine for Cyprus. The younger ones have been granted visas to Australia, and many plan to emigrate there.

A half dozen of the finest old homes in Sarona whose walls were once decorated with pictures of Hitler are being fitted hastily with modern telephone switchboards and office equipment to house the government of the Jewish state.

The Jews paid the Palestine government, as custodian of alien property, \$2,116,000 (\$8,464,000) in the final stage of the purchase of the land in Sarona and more than 100 buildings, Jewish sources said.

Saccharin is several hundred times sweeter than common cane or beet sugar.

### Marshall Opposes Plan to Omit Russia From New United Nations

WASHINGTON, May 5 (AP)—Secretary of State Marshall said today that the western world must be made strong enough to convince the Russians that Communism can't rule the globe.

He told the House foreign affairs committee that there must be a "balance of power" such as there was when the United Nations was formed—so that no big power would dare break the peace if the others stood united.

Marshall spoke firmly against congressional proposals, which the committee is considering, to rebuild the United Nations "with or without Russia."

If the Soviet Union is shut out, he said, the "community of nations" would be broken into rival armed groups and "this result would weaken us and expose us to even greater dangers from those who seek domination of other states."

Marshall and Warren Austin, chief U. S. delegate to the U. N., joined in urging that this country strengthen the world organization by building up its own military power and the power of friendly states.

The secretary of state said in effect that world conditions now are as bad as they are likely to get—and that improvement can be expected as the European recovery program, the Western European union and like measures make progress.

BUT MILITARY strength, Marshall said, "is not the element which will be paramount in the long run."

"The underlying problem in the immediate future," he said, "is to bring about the restoration of economic, social and political health in the world and to give the peoples of the world a sense of security which is essential for them to carry on the task of recovery."

### Alabama Voters Reject Truman, Civil Rights Program at Polls

BIRMINGHAM, Ala., May 5 (AP)—Alabama's Democratic voters today had turned thumbs down on President Truman and the civil rights program.

But yet unanswered as final returns drifted in was the question of whether the rank and file party members would decide for a walk-out by their 26 delegates to the national convention over the civil rights issue. Final decision probably must wait a run-off election June 1.

The primary election yesterday had been watched closely by national party leaders as the first measure of whether the South's revolt over civil rights really stemmed from the grass roots. They declined comment today.

Through yesterday's primary, which in Alabama is the equivalent to election, the State Democratic party by-passed any action the national convention might take in naming a presidential candidate and carried the issue into the electoral college.

THE ELECTORATE made certain that neither Truman nor any other candidate advocating a civil rights program would get the state's 11 electoral votes.

Actually, therefore, the state's Democrats voted for president without knowing who the party's candidate would be.

The voters were asked to select 11 electors from among 28 candidates, 21 of whom were pledged not to vote for Truman or any other candidate on a civil rights platform.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTERE, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTERE at any drug store.

### Writer Convicted In Contempt Case

WASHINGTON, May 5 (AP)—Movie writer Dalton Trumbo was convicted today of contempt of Congress by a Federal District court jury of seven men and five women.

The script writer of "Thirty Seconds Over Tokyo" was found guilty of refusing to tell the House committee on un-American activities during a hearing the past October whether he was a Communist, or belonged to the Screen Writers Guild.

He is the second of ten Hollywood figures to be tried on similar charges. John Howard Lawson, another film writer, was convicted two weeks ago but has not been sentenced.

A third Hollywood writer, Albert Maltz, is scheduled to go on trial tomorrow on a similar contempt charge.

Trumbo can be sentenced to a year in jail and \$1000 fine on each of the two counts on which he was convicted.

MINER KILLED POTTSTOWN, May 5 (AP)—A fall of coal buried Paul B. Maurer as he worked today. He was the second digger to die in the anthracite field within 24 hours.

### Violence Breaks Out Again in Holy City; 7 Britishers Killed

JERUSALEM, May 5 (AP)—Violence broke out briefly in Jerusalem tonight as efforts to engineer an Arab-Jewish truce in the Holy City apparently bogged down.

After a peaceful day throughout the city, the thunder and flash of explosives erupted in the Moslem Shiekh Jarrah quarter, a few blocks north of the old walled city.

For an hour mortar shells and grenades exploded and sub-machine-guns chattered incessantly. Parachute flares and star shells lighted the scene. Then it became quiet. It was not determined immediately what faction made the attack.

Authoritative sources said a United Nations three-man truce commission returned tonight from Jericho without having effected a truce in Jerusalem. The three—the Jerusalem consults of the United States, France, and Belgium—met three Arab league delegates hoping to bind them to an Arab promise of sparing the Holy City from further war. The sources said the consults found that the Arab delegates were not empowered to make agreements.

IT ALSO WAS reported, however, that the U. N. commission would meet tomorrow in Jerusalem with higher ranking Arabs and that a truce might result.

The Shiekh Jarrah quarter, scene of tonight's attack, is where Christian churchmen will pass tomorrow on their way to the Mount of Olives to commemorate the day of Christ's ascension into heaven.

A British army spokesman reported tonight that seven British soldiers were killed today when a Stern gang force attacked a military convoy near Natanya. One of the seven was a major.

(A report from Natanya said the Sternists barricaded a highway and when the convoy stopped, ambushed the soldiers from orange groves lining the road).

### Meat Strike Continues

CIO-United Packinghouse workers form a picket ring outside Wilson and company plant in Chicago as the government announced that efforts to mediate the strike came to a standstill yesterday.

### Efforts to Halt Meat Strike Fail; Both Sides Hold Ground

WASHINGTON, May 5 (AP)—The government's effort to mediate the meat workers' strike came to a standstill today. There was no evidence of progress.

Cyrus Ching, director of the Federal Mediation and Conciliation Service, ended a series of fruitless negotiating sessions with the striking CIO Packing House workers and the "Big Four" packing companies—Swift, Cudahy, Wilson and Armour.

The four firms have offered a wage increase of nine cents an hour. The union, which is demanding a 29-cent raise, turned down the companies' offer, and the employers have declined to go higher.

The mediation service issued a statement saying it has asked the disputants to hold themselves available for further conferences in Chicago, on the call of Ching's office.

Before that statement was issued, however, J. E. Wilson, Swift's general superintendent, said there are "no prospects of reaching an agreement with the union for settling the strike."

### ECA Names Lapham To China Aid Agent

WASHINGTON, May 5 (AP)—This country's almost-global recovery effort neared its full stride tonight as Roger D. Lapham, former mayor of San Francisco, took charge of Chinese aid and four more European countries qualified for American dollar aid.

One of the countries, Great Britain, promptly was authorized to buy \$33,500,000 worth of Canadian wheat, flour and bacon with funds allotted by the U. S. economic co-operation administration.

Belgium, Ireland, Iceland and Britain filed "letters of intent" pledging co-operation in the \$5,300,000,000 European mutual-aid program. Six of the 16 eligible European nations had filed previously—France, Italy, Austria, Holland, Norway and Denmark.

By filing a similar letter, China qualified for her \$463,000,000 share of the foreign assistance fund voted by Congress a month ago.

### Session Urged To Untangle Defense Plans

WASHINGTON, May 5 (AP)—A harmony meeting to smooth out clashing defense programs was proposed today for Republican leaders in the House and Senate.

Senator Taft (R-Ohio), chairman of the Senate GOP policy committee, said he would see Speaker Martin (R-Mass.), and try to arrange a consultation.

As matters now stand, House and Senate committees working on the preparedness program argued by President Truman have agreed on few points.

The Senate armed services committee proposes to boost manpower by training 161,000 18-year-olds for one year, and drafting men from the 19 through 25 age bracket for regular service.

THE HOUSE ARMED services committee refused to combine the training plan with the outright draft. It approved a bill calling for a slight draft of men 19 through 25.

Further, the House also has passed by a whopping 343-3 vote a \$3,233,200,000 measure to start building a 70-group air force. The Senate policy committee has set its similar appropriation bill for action by the Senate tomorrow.

Further muddying the troubled defense waters was a proposal by Rep. Leo Allen (R-Ill.) to by-pass the draft with an incentive plan, paying volunteers a bonus to join the armed forces.

Allen said his plan would build up manpower without the necessity of a draft.

## Three Organizations Accepted by Berks County Club Group

One hundred thirty-eight dele-  
gates, representing 68 clubs, at-  
tended the monthly meeting of the  
Berks county Clubmen's association  
in the Keystone firehouse last  
night.

Three new clubs were ad-  
mitted into the association.  
They were Bernville American  
Legion Home association, the  
Beneficial society of Victor Em-  
manuel 2d, Reading, and the  
Reading Social club.

Two new applications for mem-  
bership were received from the  
Strausstown Rod and Gun club and  
the Oley Valley Fire company.

The following were named dele-  
gates to the State Clubmen's as-  
sociation scheduled June 11-13 at  
Erie: Harvey Brubaker, John Koch,  
Bertram Murphy, solicitor of the  
Berks group and president of the  
State federation; William Hoffman,  
president of the Berks group; Robert  
Gibble, financial secretary, and  
Walter Gross. All are from Read-  
ing.

THE ASSOCIATION received a  
communication from the 11th ward  
Democratic association, Reading,  
relative to contributions to the in-  
surance fund of the Reading High  
school for its athletic program. The  
association voted to allow its mem-  
bers to contribute to this fund.

The group also went on record  
to abolish its veterans committee  
and turn over to the general fund  
the committee's funds. Also ap-  
proved was the \$100 contribution  
to the Reading-Berks Bicentennial  
committee.

Next meeting of the association  
will be held at the Bavarian as-  
sociation, Mt. Penn on Wednesday,  
June 2.

Ralph C. Body, Boyertown attor-  
ney, addressed the delegates last  
night on the subject, "Prepared-  
ness."

### Miss Berky Tells Rotary Of Schooner Cruise

Marian S. Berky, Boyertown globet-  
rotter, addressed members of the  
Rotary club on her experiences as  
a member of the crew of the schooner  
"Utopia" at a recent meeting in  
Boyertown inn.

Jeanette Ertman and Fay Sharp,  
members of the Future Business  
Leaders of America, explained the  
club's project of compiling a direc-  
tory of job-possibilities in the bor-  
ough.

The Monday meeting will be  
omitted next week so that members  
may attend four-club meeting at  
Spring Mountain house, Schwenk-  
ville, at 7 p. m. on Tuesday.

In the prewar decade, churches  
spent between \$25 million and \$60  
million per year for new buildings,  
compared with expenditures of over  
\$150 a year toward the close of the  
1920s.

## Lions Club to Celebrate Charter Night Saturday; Rep. Lichtenwaller to Speak

Nearly 100 Boyertown Lions and  
wives will attend the club's ninth  
annual charter night in Boyertown  
inn on Saturday at 7 p. m., when  
Congressman Franklin H. Lichten-  
waller, representing Bucks-Lehigh  
district, will be chief speaker.

Lichtenwaller is president of  
Coopersburg Lions club. He will  
be accompanied to the Boyer-  
town meeting by his wife, the  
former Marguerite Stoneback, of  
Coopersburg. He won his Con-  
gressional seat over his Demo-  
cratic rival, Phil Storch, Allen-  
town newspaperman who had the  
backing of labor unions, in a  
special Congressional election  
in 1946.

The club meeting tonight will  
be omitted because of the Saturday  
celebration.

OTHER PROGRAM features will  
include Cheryl Gross, harpist of  
Ruppberg Glen, Barto; Mr. and Mrs.  
Marcus Mensch, in a humorous skit;  
accordion solos by a well-known  
artist; and honoring of all club past  
presidents. Club Program Chairman  
Earl H. Klein has arranged the event.

Lichtenwaller served five con-  
secutive terms in the State Leg-  
islature in Harrisburg, beginning  
in 1939. He was chosen house  
majority leader in 1946 and the  
following year he was elected  
speaker of the house at 36 years  
of age, the youngest in his party  
ever to attain that office.

The Lehigh county Congress-  
man, whose home is in Center valley,  
has served as a member of the com-  
mittee on interstate co-operation for  
the Council of State Governments;  
is a member of National Conference  
on Child Welfare and Youth, and is  
on the executive committee of the De-  
laware river basin. He is also sec-  
retary of the Governor's advisory com-  
mission on flood control and naviga-  
tion projects and is a member of the  
national rivers and harbors com-  
mittee in Congress.

Lichtenwaller is a trustee of  
Pennsylvania Association for the  
Blind, Saucon Lodge, F.A.M., Le-  
high consistory, the Reading Shrine,  
the Pennsylvania society and Ma-  
cungie Grange.

## Pupils to Participate In Youth Program

Mary Jane McCusker and Harry  
Reiff, both academic seniors in  
Boyertown High school, will rep-  
resent the local school in Youth day  
observances in Reading today.

Miss McCusker will fill the role  
of Emelyn R. Weiss, Berks county  
psychologist and supervisor of  
special education, while Reiff will  
take the position regularly occupied  
by Judge Forrest R. Shanahan, of  
the Berks county court. Both  
offices are located in the court  
house.

City school students will take  
over city administrative posts in  
Reading, while boys and girls  
from county schools will fill  
county positions. Along with  
other students, Miss McCusker  
and Reiff will tour the court  
house in the morning and be  
feted at a banquet in the after-  
noon.

Lee Henry, a graduate of the  
high school the past June, and now  
at Mercersburg academy, was Berks  
weatherman at the annual event  
the past year.

### GUILD SPONSORS SERVICE

A World Ascension day of prayer  
service will be sponsored by mem-  
bers of the Women's Guild of Church  
of the Good Shepherd, Evangelical and  
Reformed, tonight at 8 o'clock in the  
church.

### PATROLMAN IMPROVED

William S. Moyer, Boyertown  
special patrolman, who was injured  
the past month when struck by an  
automobile at the corner of East  
Philadelphia avenue and Washing-  
ton street, continues to improve at  
his home, 22 East Fourth street.

Seifert. The two candidates  
from Boyertown were Wilmer  
Youse and John Schwenk.

The third degree will be con-  
ferred on the class of 18 Monday  
night in Birdsboro. Eisenhard,  
the degree master, will head a dele-  
gation from the Boyertown lodge  
which will leave IOOF hall at  
7 p. m.

Noble Grand Morris Youse pre-  
sided at the meeting in Boyertown.

## Boyertown Pastor Renamed to Board At Orphans Home

The Rev. David F. Longacre, pas-  
tor of St. John's Evangelical Lu-  
theran church, Boyertown, was re-  
elected vice president of the board  
of trustees of Tipton Orphans home  
at a meeting yesterday, a post which  
he has held since 1941.

His re-election came im-  
mediately after the Boyertown  
pastor was one of four men to be  
named to the board of trust-  
ees of the home. The Rev.  
Longacre has been a board  
member for the past 22 years.

The Rev. E. A. Weber, pastor  
of Advent Lutheran church, West  
Lawn, who was also renamed to the  
board of directors for his ninth  
term, was elected president of the  
board, replacing Paul H. Price Esq.,  
who retired from the board, on  
which he had served the past 17  
years. Price was president since  
1941. The Rev. Weber is formerly  
from Boyertown.

NAMED TO THE executive body  
to replace Price was Richard T.  
Williamson Esq., of Reading. The  
second lay member elected yesterday  
was Dr. E. J. Funk, medical director  
of Reading hospital, who has served  
on the body since 1941. Price was  
named legal adviser to the board  
yesterday.

Other officers elected include the  
Rev. H. S. Mann, of Hope Lutheran  
church, Reading, who was re-elected  
secretary, and E. Paul Shirk,  
treasurer, also of Reading. Shirk,  
a member of St. Luke's Lutheran  
church, Reading, has served the  
Tipton board as treasurer for the  
past seven years. The Rev. Mann  
has been secretary since 1931.

# Dr. Eleanor Steele Chooses 'Psychology' As Subject in Address to Junior Auxiliary

"Psychology" was the subject chosen by Dr. Eleanor Steele last night in her address to the members of the Junior Auxiliary of the Memorial hospital at their meeting in the Nurses' home.

Dr. Steele told the women that they must grow up mentally and abandon childish whims and emotions which prevent them from being a real adult, if they are to enjoy the utmost from life. A lively open discussion followed the address.

During the business meeting, plans were discussed for the annual Hospital Day—more favorably known to Pottstown people as Baby Day—at which time all the mothers and their babies born during the year will be guests of the hospital for a lawn party. In case of rain, the event will be held in St. James' Lutheran church.

MRS. GEORGE HARBERGER is chairman of the event and announced last night that 600 babies have been born during the year from which they expect at least 200, and are hoping for more, to attend.

Plans were also discussed for the inter-community Memorial hospital auxiliary dance which will be held Friday, May 14, in the Spring-Ford Country club.

A plaque was placed in the maternity section of the hospital to show the pledge of the group for \$35,000 for the coming year.

Six new members, Mrs. Walter J. Smith, Mrs. Elmer Schule, Mrs. Richard King, Mrs. James Hallman, Mrs. Emanuel Berman and Mrs. Stanley Davenport were admitted to the group.

COMMITTEES WERE APPOINTED for the annual Bellwood Horse show. Mrs. Caesar F. Sarni is chairman of the booth committee, with Mrs. William Boden, co-chairman. Assisting will be Mrs. Paul Ammon, Mrs. George Berman, Mrs. Robert Berman, Mrs. Woodrow Bushey, Miss Connie Chaplin, Mrs. Jesse Hafer, Mrs. Clayton Hutt, Mrs. David Mauger, Mrs. Robert Misker, Mrs. Albert Pollock, Mrs. Howard Trout, Mrs. Ruth Sellers, Mrs. Shirley Reyer, Mrs. Gordon Strunk, Mrs. Charles Treleven, Mrs. George Neiffer, Mrs. Frances Zimmerman, Mrs. Leila Yergey and Mrs. Earl Fritz.

Advertising, Mrs. Forrest Purnell, chairman; Mrs. S. Russell Ash, Mrs. Harry Schurr, Mrs. George Lessig, Mrs. Thomas Storm, Mrs. Robert Boorman, Mrs. William Boden, Mrs. Paul Sidley, Mrs. Richard Stamm, Mrs. Jacob Sotter, Miss Alice Bechtel, Mrs. George Harberger, Mrs. Paul Ammon, Mrs. Charles Bayler, Mrs. Jack Hoffman, Mrs. Woodrow Bushey and Mrs. Kenneth Nichols.

ALSO MRS. CLAYTON HUTT, Mrs. Helen Bell, Mrs. Lee Saethle, Mrs. Caesar Sarni, Mrs. Carroll Rustler, Mrs. Carroll Alexander, Mrs. Ernest V. Hunter, Mrs. Robert Mauger, Mrs. Raymond Dettler, Mrs. Helen Palmer and Mrs. Arthur Weitzkorn.

Tickets, Mrs. Tra Trate, chairman; Mrs. Stella Bechtel, Miss Helen Bell, Mrs. C. Edgar Donahower, Mrs. Russell Will, Mrs. Jesse Hafer, Mrs. Earl Graves, Mrs. Ottilio Botto, Mrs. Helen Palmer, Mrs. Nevin Miller, Mrs. Ruth Sellers and Mrs. Robert Miller.

Prizes, Mrs. Thomas Storm, chairman; Mrs. Edward Schmeier and Mrs. Paul Atkin, co-chairmen; Mrs. Joseph Lynch, Mrs. Forrest Purnell, Mrs. Robert Boorman, Mrs. George Parker, Miss Helen Baker and Mrs. William Boden.

CIGARET BOOTH, Mrs. Paul Sidley, chairman; Mrs. Arthur Weitzkorn, Mrs. Forrest Purnell and Mrs. Dorothy Mulford. Mrs. George Lessig is chairman of the cake booth, while Mrs. George Harberger is chairman of the housing committee. Heading the patron committee is Mrs. S. Russell Ash, while Mrs. Robert MacPhail and Mrs. Richard Stamm are in charge of the personnel committee.

Mrs. Dorothy L. Mulford reported that 689 bed days were taken at the hospital during the past month. Refreshments were served to the 65 members and two guests present.

## Girl Scout Leaders To Meet in YWCA; Janet Tobitt to Speak

Miss Janet E. Tobitt, of Sussex, England, and New York City, will meet with Pottstown Girl Scout leaders, troop committee members and council members at the YWCA on Monday night at 7:45 o'clock.

The training committee of the Pottstown Girl Scout Council, of which Miss Helen Purnell is chairman, has arranged the training session. Other leaders from Pennsylvania, Norristown and nearby Berks county have been invited.

The guest speaker is a well known author, authority on music, folk dances and games. For some years, Miss Tobitt has been music and folk dance instructor at Girl Scout national training schools and at various university summer schools. In some of her training sessions she includes instruction of presentation, leadership, the use of source material, the correlation of music with other activities and the planning of music appreciation programs.

Miss Tobitt collected her material in the villages of France, Belgium, England, Scotland and Wales. During her stay in this country, she added many American folk songs and dances, including sea chants from New England, Negro spirituals from the South and some of our mountain songs.

Pottstown leaders expected to be present are the following: Mrs. Eleanor Bittle, Mrs. Ethel Mae Dewitt, Mrs. Helen Zubert, Miss Mildred Geist, Mrs. Henry T. Schneider, Mrs. Phyllis Dore, Miss Charlotte Anderson, Mrs. Verna Reese, Mrs. Richard Haury, Mrs. June K. Wien, Mrs. Melvin Pierce, Mrs. Howard Swavely, Mrs. Francis Banks, Mrs. C. S. Leventhal, Mrs. William A. White, Mrs. E. M. Umberg and Mrs. Amanda Rogers.

## Gnosis Class Makes Plans For Adopting Boy Orphan

Plans were made to adopt a boy from the Baptist orphanage and pay his clothing bill by members of the Gnosis class when they met last Tuesday night at the home of Mrs. Merrell Fine, 253 Lee avenue.

Mrs. Thelma Miller opened the meeting and a prayer was given by Mrs. Anna Kulp. Later games were played with awards going to Mrs. Miller and Mrs. Doris Stine. A luncheon was served by the hostess.

Attending were the Mesdames Jean Borneman, Betty Evans, Billie Hoel, Thelma Miller, Grace Stanton, Doris Stine, Bernadine Krevanosky, Mala McCann, Dolores Klink, Christine Shutt and Anna Kulp.

## PERSONALS

## New Applicants Received At Lady Orioles Meeting

Four new applicants for membership were received last night at a meeting of the Lady Orioles in the Orioles home where about 50 members congregated for their regular monthly meeting.

It was announced that a pie and cake sale, for the benefit of the Orioles Orphans home, will be held on Saturday morning.

Games were played and the pig-in-the-boxes were won by Mrs. Lena Patterson and Mrs. Eva Conrad.

## Advice on Style is Heard by JWL Women As Miss Hanna Sherman Speaks at Meeting

"Buy what you need, and wear it," advised Miss Hanna Sherman, instructress in personal development at New York university, last night at a meeting of the Jewish Women's league in the Mercy and Truth synagog.

The guest speaker, whose topic was "Getting Your Money's Worth in Style," told the women not to spend their money on articles of clothing that can be worn only one way. "A good-looking tailored suit can be changed into many different costumes just by adding a pretty scarf or an attractive belt," she declared.

When asked how long she thought the "new look" long length would stay in style, Miss Sherman answered "About five to seven years. Styles run in cycles, each lasting about that period of time."

MISS SHERMAN also advised the women to wear their skirts at a length that suited them best. In other words, don't wear them down to your ankles just because it is the style. However, anything above the calf is a bit too short to be stylish.

Mrs. Sol Weintraub, president, was in charge of the business meeting, at which new officers were elected with the following results: President, Mrs. Sol Burger; first vice president, Mrs. Charles Gultanoff; second vice president, Mrs. Martin Peit; recording secretary, Mrs. Stanley Prince; corresponding secretary, Mrs. Stanley Bressler; treasurer, Mrs. Samuel Puerman; financial secretary, Mrs. Edward Hoffman; and board members, Mrs. Leon Levitz, Mrs. Milton Adler, Mrs. William Prince, Mrs. Lewis Gussman and Mrs. Nathan P. Hoffman.

MRS. EMIL SCHORSCH offered the prayer and announced that the Council of Church Women meeting to be held at the Emmanuel Lutheran church will be held tomorrow night, and urged all members to attend. She also reminded the members of the May 23rd rally at Bethlehem at which time the children will take part in sports activities.

Mrs. Gultanoff reported that the prayer and announced that the Council of Church Women meeting to be held at the Emmanuel Lutheran church will be held tomorrow night, and urged all members to attend. She also reminded the members of the May 23rd rally at Bethlehem at which time the children will take part in sports activities.

The members who served and donated to the Sophie Flam Needlework Guild during the year received a word of thanks from Mrs. Lewis Gussman, chairman.

Refreshments, and a social hour followed the meeting.

## Mother's Club Hears Talk on Lasting Marriage

How to build the foundations for a lasting marriage was explained to the members and guests of the Mother's club of Zion's Reformed church on Tuesday night by the Rev. James D. Matchette, pastor of Seales Memorial church, when he spoke on, "Preparations of Marriage," at a mother and daughter tuition dinner in the church.

The Rev. Matchette told the 85 members and guests present that it is the duty of all parents to teach their children how to get along pleasantly with members of their family, if they are expected to enjoy a happy and lasting marriage.

A prayer, offered by the Rev. Howard A. Kosman, pastor of Zion's church, preceded the dinner.

Three large tables, placed so as to form a "U" shape, were beautifully decorated with centerpieces consisting of large flat mirrors surrounded by roses, with tall graceful swans "floating" on the glass. Tiny nut cups featuring pink, yellow and

## Stork Shower Honors Mrs. Albert Feight

A surprise stork shower was held Tuesday night at Penn Village Community hall in honor of Mrs. Albert Feight, Boyertown RD 2. She was the recipient of many gifts, after which the group was entertained by Miss Kitty Trego at the piano and with accordion selections by Mrs. Betty Smith. Dancing was also enjoyed.

At a late hour refreshments were served by the hostess.

Those attending were Mrs. Albert Feight, Miss Wilma Myers, Miss Shirley Groff, Miss Betty Yeger, Miss Carleen Warner, Miss June Weller, Miss Doris Schwenk, Mrs. Helen Levensgood, Mrs. Margaret Kramer, Mrs. Irene Hanley, Mrs. Mildred Smith, Miss Mary Feight, Miss Frances Feight and Mrs. Albert Feight Jr.

White umbrellas and filled with spring flowers, served as favors. Entertainment was provided by the Pine Forge Kitchen band.

Two Honors Taken  
By Mrs. Christman  
At Church Banquet

Mrs. Laura Christman won two awards last night at the annual mother and daughter banquet held in St. John's Evangelical Reformed church. She received the prize for being the oldest mother present—being 87—and also the mother of the most children.

Also taking two awards was Mrs. Carlos Trollinger, who not only was the youngest mother present but also had the youngest child of all mothers there. Mrs. Gilbert Bartholomew received her award for the mother coming the greatest distance.

Mrs. Carl Keller was the youngest grandmother.

Following the dinner which was served by members of the men's brotherhood, and while the men did the dishes, Mrs. Bartholomew addressed the group of the duties of the daughters and the responsibilities of the mothers.

THE BUSINESS MEETING was opened with a prayer by Mrs. Paul Scheier and reports by Mrs. Carl Keller. The welcome was presented by Linda Kachel, while piano solos were played by Barbara Pickar, Suzanne Pickar and Norma Jean Salzer. Jean Ann Rahn presented a vocal solo. Several members of the Pine Forge Kitchen Band played several selections.

Committees in charge of arrangements were decorations, Miss Grace Feather; program, Mrs. Elmer Wilson and Mrs. Samuel Wanner Jr.; kitchen, Mrs. J. Russell Schneider, Mrs. Ralph Buckert, Mrs. Ernest Wendel and Miss Minnie McAfee.

The attendance at the dinner was 109.

Mahanatawny Chapter To Meet in Legion Home

This afternoon at 2:30 o'clock in the Legion Home, Mrs. Harold Edwards, Pennsylvania state chairman of Ellis Island for the DAR project, will address the members of the Mahanatawny chapter of the Daughters of the American Revolution.

Mrs. Edwards will give the highlights of the national congress held in Washington recently, and will also talk about Ellis Island.

Mrs. Frank Hutt, regent, will preside at the business meeting. Tea will be served at a social hour.

Two-Week Vacation Trip Awarded Rita Bechtel

Rita Bechtel was awarded the annual prize of a two-week vacation at the County Girl Scout camp Tuesday night at a meeting of Girl Scouts Troop 8 in Christ Episcopal church. She won the contest on merits accomplished in attendance badge work, health habits and camping achievements.

During the business meeting plans were made for the girls to meet at the church on Saturday morning at 10 o'clock to work on their garden and to practice outdoor cooking. Returns were also made

on the sale of sachets, after which the girls worked on handicraft and health and safety rules. Mrs. William Pierce and Mrs. Charlotte Anderson were the leaders in charge.

The earth's population has doubled in the last century.

It is helpful to include quick mixes for cakes, cookies, biscuits and waffles on an emergency shelf. Packaged custard pudding and aploca desserts are also useful. Canned soups are convenient to include not only to use "as is" but for sauces for a main course dish.

## BARCLAY ON BRIDGE

By SHEPARD BARCLAY

Do You Ever Forget?  
HAVE YOU ever forgotten what your contract was? Have you momentarily thought it was one suit when actually it was another? Or that it was No Trump when it was really a suit? Or that it was a suit when in fact it was No Trump? Of course you have. That is no disgrace, but merely proof that you are a human being. The greatest players in the world have been known to make exactly the same mistakes. When you do it, the best action is to have a laugh at yourself, try to console your poor partner and determine not to do it again in the very near future.

the contract. But when he tried the heart finesse it lost to West. A later club trick then beat him. Was this a dub player who pulled such a bone? No. One of the world's most famous. But for the moment he played the part of a dub. So cheer up, all you who do such things once in a while. Everybody does them.

Tomorrow's Problem

That was funny bidding, but South felt that North would surely pass anything he said, having opened with that shutout bid of diamonds. And South wanted to be declarer in the tournament, so the lead of a spade could come up to his guarded K.

West, however, led the club 2, the 10, J and A being played. South led to the spade A and then brought forth the diamond 10. With a hunch that East had the guarded K, he put on the 2. Then several great lights broke upon him all at once. First he had been until then under the crazy impression that diamonds were trumps, whereas the contract was in No Trumps. Second, he had blocked his long diamond suit in the dummy, with nothing smaller than the 9 in his own hand.

He now had only one chance for his contract. Finding the heart K guarded in the East hand. If that be the case, four heart tricks plus two in spades, four in diamonds and two clubs would make

# State Women Urge Preparation Needed For Defense of U. S.

HARRISBURG, May 5 (AP)—The Pennsylvania Federation of Women's Clubs today recommended preparedness for the nation, rather than universal military training, as the best method of maintaining peace in the world.

A resolution adopted by the 1500 delegates here for the annual convention of the state-wide organization, said the group supported a plan to provide for "all necessary precaution for national defense."

The resolution asked that such precautions be listed as "preparedness" to enforce the peace. The group agreed to support a universal military training bill if such a measure was deemed part of such preparedness.

Other resolutions adopted by the organization called for support of legislation to establish and maintain a State park program; support of the Marshall plan; support of the United Nations; youth conservation; restriction of the use of liquor in motion pictures; higher standards of literature; and simplified birth certificates.

## Cinder Thefts Reported At Rail Yards in Stowe

Theft of cinder from the Reading company's upper yards in Stowe is being investigated by Railroad Officer George Stroup.

Stroup said yesterday considerable quantities of cinder are being taken. He said he believed the

cinders are being carted away in motor trucks.

At one time, the cinders were given away by the company, but now they are scarce and in demand by the company for use on road beds.

## SEEK 'BEST' CHICKEN

HARRISBURG, May 5 (AP)—Ninety-eight Pennsylvania poultry breeders have entered a new contest to find the "Chicken of Tomorrow."

## Two Bank Robbers Get \$30,000; Act 'Tough'

MINNEAPOLIS, May 5 (AP)—Two men today held up the State bank of suburban Hamel and escaped with \$30,000, after clearing out the vault and acting "plenty tough."

The men were described by G. O. Dorweiler, cashier, as about 30 to 35 years old and carrying "foreign

make automatics." There was one customer in the bank and, Dorweiler said, the bandits were "plenty tough."

Hamel is ten miles west of Minneapolis. Hennepin county sheriff's deputies and Minneapolis police set up road blocks in the area in the hopes of capturing the pair.

# Reading Dominates Venzke Relay Show

"Oh, the weather outside was frightful, but the fire inside was so delightful," said a continuous rain and old wind over 300 athletes from 35 high schools throughout Eastern Pennsylvania and New Jersey made their way to Boyertown to compete in the seventh annual Venzke Relay carnival yesterday afternoon.

A throng of 1000 fans, mostly school children, watched relay after relay run off on the Boyertown High track. Francis "Doc" Sell, Boyertown High track coach, said although the track took a beating from the rain, the wet cinders made good running for the athletes.

One record fell and many others were threatened by the speedy high school runners. West Chester High's Ray Kelly, George Jefferson, Vince Calim and Dick Johnson covered the 1100-yard medley relay-course in 2:06.7, wiping out the old mark of 2:07 set by St. Thomas More of Philadelphia in 1942.

READING HIGH'S crack baton-passers dominated the carnival by sweeping four relay events. The Red Knights captured the 440-yard relay, the 880-yard relay, the one-mile relay and the two-mile relay.

Six of the 41 schools that were invited to the carnival scratched all entries. Among the schools to scratch was Pottstown High.

Coach Heber T. Meyers said yesterday the weather was too brutal for running and he didn't want to take the chance of seeing any of his runners become ill.

Other schools to scratch were the Norristown Senior High, Rittenhouse Junior High and Stewart Junior High, DuPont High of Wilmington, Del., and Langhorne-Middletown.

In the special 880-yard run, Richard Gerhart, of Muhlenberg township broke the tape in two minutes, 68 seconds. Dudley Foster, of Berwyn, was second, and Roy Boush, of Wilson High, was third.

Special 880-yard run—Won by Gerhart, Muhlenberg, second, Foster, Berwyn; third, Boush, Wilson. Time—2 minutes, 68 seconds.

# RED SOX DOWN TIGERS IN 11TH

Vern Stephens' Homer Gives Boston 4-3 Win; Williams Stars Afieid

BOSTON, May 5 (AP)—Junior Stephens' 11th inning homer gave the Boston Red Sox a 4-3 win over the Detroit Tigers today after Ted Williams saved matters in the 10th with a magnificent double-play throw to retire the side with the bases loaded.

Starter Virgil Trucks held the Soxers to three hits while coasting along on a 3-1 lead until the ninth. Then Johnny Pesky started a Boston rally with a single to right. Williams followed by bouncing a hit off Eddie Mayo's glove in short-right field and Trucks was yanked for Dizzy Trout.

After a Stephens' bunt forced Williams at second as Pesky made third, the latter scored when Trout threw wild trying to pick him off base. Stan Spence's pinch-hit single drove in Stephens with the tying run.

The Tigers filled the bases against Ellis Kinder, the third Boston pitcher in the chilly action, with none out in the 10th on a pass to Johnny Lipon and singles by Mayo and George Kell. But Kinder made Ed Mierkiewicz whiff before Walt Evers laced a drive into left-center. Williams made a brilliant running catch and then rifled a one-bounce throw to nail Lipon at the plate.

# Three Sons Drive Ed Joost To Play Good Ball for A's

PHILADELPHIA, May 5 (AP)—The driving force behind Eddie Joost's great clutch hitting and spectacular short-topping for the Philadelphia Athletics is his three D's—Donald, Denis and David.

Sitting in his North Philadelphia home watching the 10-0 that washed out today's Cleveland game, Eddie motioned to his three sons and said "That's why Joostie is playing good ball."

"They want nothing but a major league father and to stay up here. Every hit and fielding play counts."

"You know," said Eddie, when you have been playing second fiddle for a long while and a chance comes along to put regular you just seem to find that little extra lift."

EDDIE POINTED OUT that the same thing was true of his keystone partner, Pea Suder.

"Pea was always shuffling in and out of the lineup and never got that day-in-and-day-out play break. The past year Gene Handley was injured and Pea went in. Not only did he play the rest of the season at second out led all second basemen in fielding."

"We know we're no Boudreau and Gordon. A pair like that comes along once in a century. But we hustle and try to make every play count."

The bespectacled 32-year-old shortstop predicts the Athletics will finish third in the American League.

COMPANY SALESMEN, like James Kooker, carefully trained to be ready with counsel, advice and selling aids that help Esso Dealers, like Clyde Porter and James Weyman, run their own successful, independent business.

LABORATORY WORKERS, like John Vukmanic, who make the many scientific tests that assure quality petroleum products for your use.

REFINERY PEOPLE, like John Chergl, whose skillful operation of complex modern equipment maintains the output of high quality products.

# What's behind the "Esso" Sign?...

THOUSANDS OF MOTORISTS know the red-white-and-blue ESSO Oval as "The Sign of Happy Motoring." It is their roadside mark of quality in gasoline and motor oil, of fine Atlas Tires and Batteries and other motoring supplies.

But perhaps the most outstanding thing behind the Esso Sign is not just the great laboratories and refineries.

Instead... the greatest and most unusual thing behind that familiar sign is probably just the people who work at Esso Standard Oil of Pennsylvania and affiliated companies—and the kind of jobs they have!

Workers who have not had an important strike or labor disturbance in over 30 years!... Workers who today average over 14 years apiece of service!...

Workers with regular, paid vaca-

tions each year. Workers with good wage scales and steady work. Workers with retirement income assured for life. Workers with opportunities for advancement, with company training to help them get it!...

These and other unusual employee benefits result from the company policy that was set up many years ago. It is a policy that believes good jobs draw and hold good workers.

And it's a policy that gets worthwhile results for all concerned—including, right now, the greatest production and delivery of petroleum products in our history. The better you live, the more oil you need, and today we and all the oil industry are straining every facility to meet your record needs for gasoline and oil in cars and homes, planes and trains, factories and ships, and on the farm.

## Ford Lions Prepare For District Meeting

Royersford Lions club met at Spring-Ford Country club last night for a semi-monthly session.

Plans were discussed for attending a district meeting at Sunnybrook May 26. Thirty-six members of the club planned to attend the meeting. The second May meeting of the local club will be dispensed with, because of the zone meeting at Sunnybrook. Officers were nominated, to be elected at the first meeting in June.

The program consisted of a showing of slides by George Vandervelde of a recent trip to the West, together with pictures taken by Frank D. Peoples, former president and past district governor, who attended the 1941 International convention at San Francisco, Calif.

## Royersford Contractor To Build Sewage Line

Nicola Dimmoco, Royersford, was awarded contract for construction of sanitary sewage lines on City Line avenue, Phoenixville, by the borough council of that borough Tuesday night.

The local contractor's bid of \$2495 was the lowest of four submitted. Other bids ranged between \$4290 and \$4995.

# 32 Pottstown High School Seniors Take National Business Tests at Lower Merion

Thirty-two seniors of Pottstown Senior High school traveled to Lower Merion yesterday to take the national business tests which may result in their being certified as capable office workers by the National Office Managers association.

The group of business education students, which included two boys, was led by J. Robert Von Drach, head of the business education department at the high school.

The students took the general information and intelligence tests and then chose one specialized business subject on which to be tested. Three took shorthand; seven, typing, while 22 took the typewriting tests.

POTTSTOWN STUDENTS have been making the trip the past two years. In 1947, only three of the borough's 33 applicants failed to receive the certificate.

Results of the tests taken at

# 473 Guerrillas Slain In Greek Offensive

LAMIA, Greece, May 5 (AP)—The Greek army ended tonight the first phase of its biggest offensive against leftist guerrilla fighters.

Three divisions finished their drive through 2000 square miles around Mount Parnassos.

The army's "A" corps reported that 473 guerrillas were killed in the mountain campaign. Nearly 1000 more were reported captured. The army said it lost 52 killed and 50 wounded in the three-week offensive.

American military advisors praised highly the Greek army's operation.

# A MAN FELT LIKE HIS BONES WERE BROKEN, DUE TO RHEUMATISM

One man recently stated that for years he felt like the bones in his legs were broken. This was due to muscular rheumatism. His muscles were swollen and his legs so stiff and sore that he couldn't walk without limping. He was in misery. Recently he started taking TRU-AID and says the feeling like his bones were broken disappeared the second day. The swelling and stiffness has gone from his muscles; now he can walk without suffering and says he feels like a new man.

TRU-AID contains Three Great Medical Ingredients which go right to the very source of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering. Get TRU-AID. Sold by All Drug Stores here in Pottstown.

AGREEMENT REACHED  
LAKE SUCCESS, May 5 (AP)—The United Nations said today it had reached an agreement with the Haila chamber of shipping to handle mail to and from Palestine.
